Our exhibition mottos are based on the basic building blocks of life, oscillating between given and not given phenomena, which constitute our environment and society.

The gallery consists of two interconnected apartments with a total of 8 rooms.

The Location

Our location is in the heart of downtown Hamburg in the historic Gängeviertel. Formerly threatened by demolition, the complex of old workers houses was occupied in 2009 to fight for its preservation. Since its 14-year existence, the Gängeviertel has formed into a large collective that houses numerous apartments, studios, workshops and live shows and, in addition to the gallery Gruppe : Motto, 3 other galleries.

Commission:

For all artistic works, an artistic commission is guaranteed by the BKM (minimum 1000 Euro per group exhibition : 100-166€ per artist:in).

In addition, we are currently working hard to provide further financial support for all artists. We take 0% commission on sold artworks.
